ADOPT-A-COP IS AN INTERNATIONAL PRAYER PROTECTION MINISTRY FOR LAW ENFORCEMENT OFFICERS EVERYWHERE

ADOPT-A-COP

PRAYER PROTECTION PROGRAM

Imagine the powerful protection and wisdom that results when an officer is prayed for everyday.

A prayer protection program for all law enforcement officers everywhere.

Because you care.

Every Police Officer's Prayer Protection Program

The Adopt-a-Cop Prayer Ministry

Adopt-a-Cop is a prayer ministry that covers our community's Law Enforcement officers with prayer on a daily basis.

Besides the obviously high physical risk in their profession, officers also have a high risk of becoming cynical, feeling hopeless, having relationship problems, succumbing to alcohol abuse, drug abuse and/or domestic violence and of becoming suicidal. The divorce and suicide rates among law enforcement personnel far exceed the national average.

While a bulletproof vest affords a certain level of protection for our officers, an even greater blessing and shield of protection can be found in the power of prayer from the local church!

The goal of Adopt-a-Cop is to assign each individual officer to a family or individual who will pray for them on a daily basis and send a quarterly note offering encouragement, prayer support and gratitude for the service that they provide.

Imagine the powerful difference YOU can make in the lives of those who put their lives on the line for us everyday.

Why Should Officers be Prayed For?

The Bible instructs Christians to pray for our governing authorities, of which police officers are included!

"I urge, then, first of all, that all requests, prayers, intercession and thanksgiving be made for everyone - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness"

- 1 Timothy 2:1-2 (NIV)

Everyone must submit himself to the governing authorities, for there is no authority except which God has established.

- Romans 13:1

What a privilege for us as to be able to reach out to our local law enforcement officers and protect those who serve us through daily prayer.

Adopt-a-Cop Ministry Requirements:

1. You must agree to the basics of Biblical Christianity according to Romans 10:9-10, Acts 4:12 & John 3:3
2. You must be able to commit to praying EVERY DAY for your officer. If you are unable to do this, contact us, so we can make sure the officer is covered in prayer by others also.
3. There is to be NO contact with the officer, except through an occasional note or letter.
4. The note must only serve to encourage and thank. You may include scriptures if you feel led to.
5. Please do not attempt to evangelize or preach. We are providing prayer coverage only.
6. Do not send tracts, gifts or any other items with your note.
7. Please send all notes and letters for your officer to the following local address:
